PROFESSIONAL SUMMARY

Results-driven Machine Learning Engineer with 2 years of industry experience specializing in FastAPI, PyTorch, GCP, Machine

TECHNICAL SKILLS

FastAPI, PyTorch, GCP, Machine Learning, Large Language Models, Agile, Unit Testing

PROFESSIONAL EXPERIENCE

Machine Learning Engineer | Meta (2023 - Present)

- Designed and deployed enterprise-grade systems utilizing FastAPI and PyTorch, improving throughput by 34%.
- Collaborated with engineering stakeholders to optimize data pipelines and system reliability using GCP.
- Reduced system downtime and latency by 26% through proactive monitoring and automated CI/CD workflows.

EDUCATION

B.Tech in Computer Science and Engineering, UT Austin (Graduated 2023)
